Quality Policy

Dougall Baillie Associates Limited, based in Scotland, provides Consulting Engineering Services regarding Civil, Structural and Transportation Engineering.

The scope of Dougall Baillie Associates Limited's Quality Management System (QMS) addresses and includes: -

- The Company's Vision and Values;
- External and internal issues of relevance to the Company;
- Needs and expectations of its interested parties;
- All services to satisfy the Customer's requirements.

The Senior Management of Dougall Baillie Associates Limited commit to satisfying all applicable requirements relating to quality.

This policy provides the framework for setting out quality objectives. The Company's quality objectives are set, reviewed and approved by Senior Management via our Annual (as a minimum) Management Review Meetings.

The Senior Management of Dougall Baillie Associates Limited will provide the necessary means to ensure that the Quality Management System will achieve the continual improvement.

The Quality Policy of Dougall Baillie Associates Limited will be communicated to our staff and other interested parties (where applicable).

Senior Management commits to reviewing this policy annually (as a minimum) during our Management Review Meetings.

Signed: Alan Ferns.
